OD Introduction
Practice Introduction

- Primary Care Optometry
  - Diabetes
  - HTN
  - Dry Eyes
  - Pediatrics
Learning Opportunity/Expectations
Learning Opportunity/Expectations

- Work independently
  - Same expectations as I have in clinic:
    - you are the doctor and need to be able to go from chief complaint, to diagnosis (along with differentials), and develop a treatment plan.
    - You are not a technician
    - Don’t be slow

- Encouraged to learn business aspect
  - Front desk
  - Billing
  - Optical
