&
IN-HOUSE OPTICAL
Typical Day

Hours
Monday - Friday
Arrive to the office by 7:45 on Mondays, Tuesdays, Wednesdays, and Fridays.
On Thursdays, arrive by 10:45

Schedule
Review the scheduled patients' charts for our assigned preceptors and mark the interesting cases.

Shadowing
Cataract surgery, pterygium removal, PRK, LASIK, IPL, YAG capsulotomy, SLT

Work-up
Pre-testing, Optos, OCT, VF, pachymetry, Goldman, refraction, dilated fundus exam

Discussion
At the end of the day, we discuss the patient diagnosis in further detail, including management, differentials, and clinical studies

Assessment & Plan
After completing our exam, we interpret the results for the diagnostic tests performed and write out our suggested assessment & plan.
