UAB Externship in Ocular Disease

Omni Eye Services of Atlanta
April 20, 2021

Paul C. Ajamian, OD
Center Director
Board Certified, American Board of Optometry
Why is Omni Unique?

- First true comanagement center in the nation
- Still abiding by founding principles:
  - Disease and surgery only
  - No routine vision care
  - 7 Mentors who want you to “get your money’s worth” and gain confidence that you can keep most pts in house!
The Facilities

- 3 Offices
  - North, South and West Atlanta
  - Satellite locations in OD offices

- Our own Ambulatory Surgery Center
The Doctors...all Dedicated to Teaching

- Cataract
- Cornea/Refractive
- Glaucoma
- Retina
2019-20 Residents...from UAB!
Dr. Aljabi

Star Omni Resident 2020-2021

Completed Externship at Omni 2019, then wanted to stay on!
The Externs

- Externs rotate through all 3 Omni offices and Surgical Center
Goal for Omni Externs:

- To be exposed to as much ocular disease as possible during rotation
- To learn to see patients quickly and efficiently
- To develop a “sixth sense” of what someone has before you actually look at it!
Highlights

- Weekly Retina Rounds
- Weekly Anterior Segment Conference
- Journal Club
- Lecture experience
- Day at the Capitol
● **YOU WILL:**
  – See a lot of patients with interesting conditions

● **YOU WON’T:**
  – Be standing around “observing” someone else….you will be “doing” the exams yourself
State of the Art Equipment

- OCT
- Lenstar
- Verion/ORA
- Digital photography
- Ultrasound
New Argos Swept Source A Scan
First LenSx Laser in Atlanta
State of the Art Procedures:
