PHILOSOPHY / PURPOSE

- HISTORY

- Externship program since mid-2000s, Residency since late 2000s
- Currently affiliated with the following schools: IU, ICO, Midwestern AZ & Chicago, MCPHS, IAUPR, NOVA, UAB
- Educating and encouraging student and resident doctors to becoming independent clinicians
 - Our trainees are assigned their own exam room in which to work, and we encourage you to “drive the bus”
 - Didactic education (journal club, presentation, etc) one morning each week
 - Rotate with local retinal and cornea/glaucoma specialist
 - Our attending doctors are in our clinic because of our desire to teach
 - 2 of us sold our private practices to join a VA team to teach
 - Our clinic chief started both our student and resident programs
 - The 4th attending actually was a resident in our program over 10 years ago
